Regent HOMECARE

At Regent only highly qualified competent caregivers are selected to be part of our team.

We understand the importance of supporting the desire to remain independent in the comfort of ones own home and familiar environment.

Providing Quality Care in the Comfort of Your Own Home

Our Mission:

“To provide the highest quality in home care by promoting and supporting an individual’s optimum level of independence; while helping to maintain one’s dignity and enhance the quality of life and well being.”

Certified Nursing Assistants, Geriatric Nursing Assistants, Home Health Aides, Licensed Practical Nurses and Registered Nurses are thoroughly screened, licensed, and insured to ensure service that is consistently superior. Regent is committed to its mission of exceeding the needs and expectations of our clients. We pride ourselves on matching the right caregiver based on the special needs, interests, and personal preferences of the client. We understand that the relationship between a client and caregiver is one of trust, respect, compassion, and confidentiality.

Home care best practices are constantly changing and continuing education is critical for healthcare professionals. Regent Homecare offers caregivers a multi-phase training program to assure that they know how to respond to unique situations and sensitive issues. Regent Homecare is dedicated to continuous improvements for both our company and healthcare professionals.
